

# Bancroft Institute for Studies on Workers' Compensation and Work Injury

## Injured Workers, Human Rights and the United Nations

This session will explore the strategy and background of raising workers compensation issues under international human rights law and will feature legal experts, academics, injured workers, disability rights activists, and more.

### Presenters Include

Jeffrey Hilgert (Université de Montréal)

Kerri Joffe (ARCH Disability Law Centre)

Steve Estey (Council of Canadians with Disabilities (CCD))

Laura Cattari (Social Policy Advocate)

Steve Mantis (Ontario Network of Injured Workers' Groups)

The event is free, but registration is required. Bancroft requests a \$10 voluntary donation from waged participants to cover costs (payable online or at the event).
