

Tell us about treating injured workers and dealing with workers' compensation issues

We are looking for **PHYSICIANS** to participate in a study

- You must have seen at least one patient with a work-related injury or illness in the last year
- You must be willing to participate in a one-on-one interview with a researcher from the Institute for Work & Health (by telephone or in person)
- You must practice in British Columbia, Manitoba, Ontario or Newfoundland and Labrador
- You will receive \$100 to compensate you for your time

Everything you say is confidential

The information you choose to share is at your discretion

Please call toll-free: **1-855-884-1416**

Or email the project coordinator Marni Lifshen: **mlifshen@iwh.on.ca**

This study has been approved by the University of Toronto, Research Ethics Committee
